CE DECLARATION OF CONFORMITY

The models listed below produced by Gast Manufacturing Inc. in Benton Harbor, Michigan, have been assessed to standards that we have selected as appropriate to determine compliance to the European Directives applicable to the Gast product line. Through these assessments, we have determined that these models do comply with the following European Directives and Standards, and is assigned this Declaration of Conformity. These machines must not be put into service until the machinery into which they have been incorporated has been declared in conformity with the provisions of the following directives. All other requirements placed on the product as designed for its intended use are specified in the customer's requirements for the equipment and are the sole responsibility of the customer and the end user of the product as it is applied per the Machinery Directive.

Models:

0523-yyyy-G181D
0523-yyyy-G21DX
0523-yyyy-G588DX
0523-yyyy-SG588DX
0532-yyyy-G563X
0532-yyyy-G621X
