Handknob with locknob control kit, K control

sunhydraulics.com/model/991211

Sun offers a general purpose handknob with lock knob control for use in systems where frequent adjustments are necessary. The handknob components are added to the basic L control. Cartridges may be ordered in this configuration from Sun by specifying a K control in the model number. Sun kits for field conversion are also available.

TECHNICAL DATA

Title	K Handknob Kit
Cartridge Series	1, 2, 3, 4 (except Counterbalance Valves)
For Cartridge Models	All Models with an L adjustment control (Except Series 0 and counterbalance)
